

Treasurers Report - 2021

Over the five years that the OSCC has been in operation, we've managed to keep the books in the black. We did see a slight drop in income from 2020 to 2021, primarily due to an increase in administration fees for our Greasy Fix video, Zoom service contract and an increase in insurance fees. Income from membership fees remained the same over the last two years as did our membership count at 120.

The bank balance is in good shape and is currently sitting at \$11,575.

Here's hoping that the Club can make plans in 2022 to add some non-virtual social events to the calendar in support of all disciplines enjoyed by our members.

I'm happy to have been the Club treasurer for the past five years and am looking forward to continuing in this role in 2022.

Laura Rance
